

The High Priest Accomplished the Work Alone
Leviticus 16: 17

God entrusted the whole nation to one representative man. So it is that God entrusted the whole work of atonement for his entire people into the hands of Christ Jesus his Son (Hebrews 1: 3.) Faith trusts Christ to have already done all that is necessary to make you accepted of God forever (Read carefully Hebrews 8: 1, 2; 9:22-28; 10: 14-22.)
