

THE SPOTLESS LAMB OF GOD

Christ came into this world to fulfill the law and did so. He was tried by Satan, by the law, and by men, yet not one sin was committed by this holy, harmless, undefiled perfect servant of the Father as he served (Isaiah 42: 21) Therefore, when the hour was come, Christ Jesus was the only one fit to offer himself without spot to God to undergo the absolute transaction of baring the sins of his people in his own body which only God could bring to pass.
